

We want to see a knife
We want to see a knife

Mae d'agua and Tucuxi
Are looking for the boat

Where's the knife
Eias eia ehheheheh
Looking for the boat

Where's the knife
Ahhheheh it became a war of the knife
Ahhheheh it became a war of the knife

Mae d'agua and Tucuxi
Looking for the boat
Where's the knife
Ah the children of Boto and Mae d'agua
Came to wipe it all away

That's when Pororoca was born
Bringing those people's silence

Those children of Mae d'agua and Boto
Came to wipe it all away

That's when Pororoca was born
Bringing those people's silence
