

Life

Zug Izland

I've seen the light and I've
seen the fate
And I walked away
Still I'm ok

I remember the pain inside
from the day when my mother died
Never went away
It's still here today

Ya born alone
Ya die alone
And still we live on singing
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch

And my baby he went to sleep
in his mother's arms we pray to keep
He shyed away
He never lived a day

Best friend call me up to say
with a gun in his hand said he's goin' crazy
Said you'll be ok
he still died the next day

Ya born alone
Ya die alone
And still we live on singing
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch

I stood in line
I've lost my pride
I've made the change
I'm a better man today

Death brings life
Still we try
To live a better way
Before your dyin day

Ya born alone
Ya die alone
And still we live on singing

Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yea yea
Yesterday is a memory
But today
it's a bitch

Yea yea
Yesterday is a memory
tomorrow is a vision...
