

Mary anyone could be wrong

Zuzana Smatanová

Consuming my daily pills I found out
that I don't need them, like a many
things around me ...
Please entertain me and I will try to laugh
to you ...
My foundation stayed so good, I think you
rescued me, I commend you for your soul
Well I was moody sometimes, but then you
take me high ...

Mary, sometimes, I cry ...
and then I'm like a sad-eyed-lady!
Mary, I'm tired of your
unknown words - I'm not your truth-teller!
Like anyone could be wrong ...
Mary, how many things you dropped down?
What a rare spiritual theory you're giving me,
you'll never be alone Mary, you've got a courage ...

Condensing my daily thrills I found out
that I'm intact and I'm not threatend
of forces...
Please entertain me and I will try to laugh
to you ...
I thought that you're insensitive but I found out
you're the best hypocrite I've ever met ...
Which part of your life would you applaud?
dar(lin') I'll be your listener ...

Mary, sometimes, I cry ...
and then I'm like a sad-eyed-lady!
Mary, I'm tired of your
unknown words - I'm not your truth-teller!
Like anyone coul be wrong ...
Mary, how many things you dropped down?
What a rare spiritual theory you're giving me,
you'll never be alone Mary, you've got a courage ...
