Rat, Rat, made me again
a little whole into my hat ...
Rat, Rat, I wish you to be
for Mr.Cat only a cute little pat!

Little rats from the neighboarhood
they're laughting for the last time
I cannot wait to see their dinner
on the ratsbane

Rat, Rat, don't be so sad
now you san lay in my bed
Rat, Rat, salute my dad
his name is only for you boy Fat cat!

Little rats from the neighboarhood
they're laughting for the last time
I cannot wait to see their dinner
on the ratsbane

Rat, Rat, come and take my hand
and let's pretend to be
walking in the sand
Rat, Rat, you're my best friend
that's the only one thing I
couldn't still pretend

Little rats from the neighboarhood
they're laughting for the last time
I cannot wait to see their dinner
on the ratsbane
I'm gonna use my scissors
not for shearing my nails
so keep an eye out for
your little mouses tails!
