

# El Sol

Zwan

Empty-armed  
And half a soul to go

And all I wanted  
Was you here next to me  
A little sunshine and sympathy

Now everybody knows  
That I've been hanging down so low  
'cause now I'm feeling up  
Soon I'll be feeling out so cold  
Wondering, will you call  
And now I'm feeling high  
Soon I'll be feeling left for dead  
Sometimes someone saying yes  
Changes what you'll bet

And all I wanted  
Was just to hold you close  
A little sunshine  
Just to butter my toast  
And your love next to mine

I had to let you know  
That we were meant to be just right  
Heaven sent, not sympathized  
By everybody's lie  
And now I'm feeling high  
Now I'm feeling left so dead  
Kicking up the dust in bed  
Wondering, I guess

Sunshine  
Sunshine  
Sunshine  
And some tea

And your love  
Your love  
Your love next to mine

I had to let you know  
I had to let you go so I  
Could see my lie fade from your eyes  
And to my surprise

That's what I wanted  
It's all I wanted  
It's what I wanted  
Me and you

Sunshine  
Sunshine  
Sunshine  
And some tea

That's all I wanted

It's all I wanted  
That's all I wanted  
It's all I wanted
