```
I believe
I believe
I believe
I believe
I believe the love you talk about with me
Is it true, do I care
Honestly, you can try to wipe the memories aside
But it's you that you erase
```

Cause there's no place that I could be without you It's too far to discard the life I once knew Honestly, all the weather storms are bringing Are just a picture of my dreams
Cause when I think of you as mine
And allow myself with time
To lead into the life we want
I feel loved, honestly
I feel loved, this honestly

I believe you mean the best that life can bring I believe in it all Honestly, you can try Your heart is just as long as mine Is it ours to let go

Cause there's no place that I could be without you It's too dark to discard the life I once knew Honestly, a single wrong is not enough To cover up the pain in us
Cause when I think of you as mine
And allow myself with time
To lead into the life we want
I feel loved, honestly
I'll make a joke so you must laugh
I'll break your heart so you must ask
Is this the way to get us back
I don't know, honestly
I don't know, this honestly

There's no place that I could be without you Honestly

There's no place that I could be without you There's no place that I could gleam without you There's no place that I could dream without you There's no place that I could be without you Honestly
