

# Bang Bang

ZZ Top

Everybody knows what it's all about  
Pretty thing jumpin' all around  
Shakin' your money-maker now  
Take it off and take me down

Bang, bang, shang-a-lang  
Bang, bang, shang-a-lang  
Take it off  
She bang-bang my shang-a-lang  
She bang-bang my shang-a-lang  
Hey yeah

Tear me up, baby, tear me down  
You got me movin' upside down  
Feelin' good, I'm feelin' alright  
Do it again, do it all night

Bang, bang, shang-a-lang  
Bang, bang, shang-a-lang  
Take it off, take it off  
She bang-bang my shang-a-lang  
She bang-bang my shang-a-lang  
(popgun!)

Hey, hey, hey...

Do me once, baby do me twice  
Do it 'cos it feels so nice  
I don't care 'bout nothin' else  
Do me 'til my money melts

Bang, bang, shang-a-lang, take it off  
Bang, bang, shang-a-lang, hey yeah  
She bang-bang my shang-a-lang  
She bang-bang my shang-a-lang  
Hey  
(popgun!)

Hey, hey, hey...
