

## Hot, Blue and Righteous

**ZZ Top**

Hot, blue and righteous,  
An angel called me aside.  
Hot, blue and righteous,  
Said, "Stick by me and I'll be your guide."

I heard the words as I closed my eyes  
Down on my, down on my bended knees.  
It fit like a glove and I realized  
Somethin' good's happenin' to me.

Hot, blue and righteous  
Angel called me aside.  
Ooh, ooh, ooh.
