

I Need You Tonight

ZZ Top

1. It's three o'clock in the morning
And the rain begins to fall
But I know what I need
But I don't have it all
I'm needin someone like you
That I just wanna do love to
Baby, baby, I need you tonight
2. Outside my window
It's lonely and cold
Inside my heart there's a fire
Burning out of control
Burning for someone like you
That I just wanna do love to
Baby, baby, I need you tonight
3. Your love's coming to me
Like a wolf howling at the moon
But that just doesn't do me
If I can't get you soon
I'm calling for someone like you
That I just wanna do love to
Baby, baby, I need you tonight
