

Jesus Just Left Chicago

ZZ Top

Jesus just left Chicago
And He's bound for New Orleans
Well now, Jesus just left Chicago
And He's bound for New Orleans

Workin' from one end to the other
And all points in between

Took a jump through Mississippi
Well, muddy water turned to wine
Took a jump through Mississippi
Muddy water turned to wine

Then I out to California through the forests and the pines
Oh, take me with You, Jesus

You might not see him in person
But he'll see you just the same
You might not see him in person
But he'll see you just the same

You don't have to worry
'Cause takin' care of business is his name
