

## Jesus Just Left Chicago

ZZ Top

Jesus just left Chicago  
And He's bound for New Orleans  
Well now, Jesus just left Chicago  
And He's bound for New Orleans

Workin' from one end to the other  
And all points in between

Took a jump through Mississippi  
Well, muddy water turned to wine  
Took a jump through Mississippi  
Muddy water turned to wine

Then I out to California through the forests and the pines  
Oh, take me with You, Jesus

You might not see him in person  
But he'll see you just the same  
You might not see him in person  
But he'll see you just the same

You don't have to worry  
'Cause takin' care of business is his name
