

## Just Got Back From Baby's

ZZ Top

Now I just got back from baby's,  
we been rollin' all night long.  
I said I just got back from baby's,  
we been rollin' all night long.  
She come on likes and loves me,  
but I feel like somethin' wrong.

Now, sometimes I go see baby,  
and sometimes she come see me.  
I said, sometimes I go see baby,  
and sometimes baby come see me.  
I got a funny, funny feelin'  
I'm not the only man she sees.

Now, I just got back from baby's,  
big white house on the hill.  
I said, I just got back from baby's,  
big white house on the hill.  
If her lovin' don't get me,  
I know her husband will.
