

I was out on the coastline
Getting a little shake
Do it every day
For mercy sake
Sometime surf's up
Sometimes it's flat
Eatin' up asphalt
Prowlin' like a tomcat
Stunned at what I see
Should I stay or should I leave?
Too much, not enough P-C-H
Too much, not enough P-C-H
Feelin' kind of free
By the deep blue sea
A true blood blue sud
Hangin' on me
Want to head north
But I might go south
Can't make up my mind
'Cause I'm thinking like Brian
I'm hangin' in and out
I'm pullin' up 'cause it's about
Too much, not enough P-C-H
Too much, not enough P-C-H
