

# She's A Heartbreaker

ZZ Top

1. She used to drive a beat up pickup  
down around San Antone  
stealin' the heart of ev'ry guy in town  
includin' the one I own  
but this sweet young thing of seventeen  
would sting you with the lovesick blues  
just a blonde haired blue eyed picture of sin lookin'  
for someone to use
  
- R: She's a lover 'n' fighter  
she's a wild bull rider  
and i'm wondrin why she left me  
such a long time ago  
she's a heartbreaker  
she's a love taker  
but she can break a heart and take all the love she needs
  
2. Well i heard she got down in Beaumont and  
she wound up in El Paso  
she was tough as a boot and thin as a rail,  
and she could step to the cottoneyed Joe  
if you run across this flagrant fuzzy  
slip in and get her while you can  
'cause before too long she'll be good as gone and  
runnin' with another man
