

She's A Heartbreaker

ZZ Top

1. She used to drive a beat up pickup
down around San Antone
stealin' the heart of ev'ry guy in town
includin' the one I own
but this sweet young thing of seventeen
would sting you with the lovesick blues
just a blonde haired blue eyed picture of sin lookin'
for someone to use

R: She's a lover 'n' fighter
she's a wild bull rider
and i'm wondrin why she left me
such a long time ago
she's a heartbreaker
she's a love taker
but she can break a heart and take all the love she needs

2. Well i heard she got down in Beaumont and
she wound up in El Paso
she was tough as a boot and thin as a rail,
and she could step to the cottoneyed Joe
if you run across this flagrant fuzzy
slip in and get her while you can
'cause before too long she'll be good as gone and
runnin' with another man

R: She's a lover 'n' fighter...
