

(Somebody Else Been) Shaking Your Tree

ZZ Top

Well, I'm tryin', yes, I'm tryin' just to get a line on you
Where you been?
But I'm havin' trouble puttin' a find on you
I'm wearin' thin
Somebody else been shaking your tree
Supposed to be saving all that stuff for me

You been hidin', yes, you're hidin'
You been stayin' out on me, sneakin' 'round
Me and you ain't workin' out just like we oughta be
You've got me down
Somebody else been shaking your tree
Supposed to be saving all that stuff for me

I'm tired of foolin' around with you, and sittin' here alone
It's on my mind
I think it's time for me to find a new tree of my own
It's plantin' time
Anything you want to do is cool with me
I don't care who shakes your tree
