

Vincent Price Blues

ZZ Top

There's a rockin' time on the borderline
Between sundown and up
There's an off-the-wall cantina, man
Just waitin' to tear you up
The locals know that in you go
And out con nalgas fried
Night descends, and the fun begins
Way out the other side

But, I didn't say it
Oh, no
Vincent Price said it's alright
Vincent Price said it's OK

There's a very cherry charmer
Oozin' groovin' grease
She come in with the graveyard shift
A pleasin' teasin' squeeze
El jeffe [sic] holler mucho mas
Get some sucker's ass inside
I think you'll know you gotta go
To get some satisfy

But, I didn't say it
Oh, no
Vincent Price said it's alright
Vincent Price said it's OK

I've dined at Spago and Eclipse
And Whataburger too
I've had Mescal with lotsa gals
Along 5th Avenue
I always shot the best they got
Dinero no problema
Ain't no quarter south-the-border
In this off the wall cantina

But, I didn't say it
Oh, no
Vincent Price said it's alright
Vincent Price said it's ok
Vincent, Vincent Price said it's alright
Vincent Price said it's OK
