

# She Ain't Me

ZZ Ward

She might sleep in your bed, and she might have your kid  
She might be in your head, but soon you're gonna see  
She ain't me, she ain't me  
She ain't me, she ain't me

It's been a long time since we broke up  
And I know that you think you're moving on  
You were sleeping on it, boy, shoulda woke up  
Now my shadow's all you got 'cause I'm gone

And now it's like  
Uh-oh, uh-oh, and who's crying now?  
Uh-oh, uh-oh, and check, check it out  
Uh-oh, uh-oh, and who's crying now?  
Shadow's all you got 'cause I'm gone

She might sleep in your bed, and she might have your kid  
She might be in your head, but soon you're gonna see  
She ain't me, she ain't me  
She ain't me, she ain't me

You had my heart, lock, stock & barrel (barrel)  
Said I was the kind that you keep  
Shot me down quick with your arrow  
Your rich talk, boy? It was cheap

And now it's like  
Uh-oh, uh-oh, and who's crying now?  
Uh-oh, uh-oh, and check, check it out  
Uh-oh, uh-oh, and who's crying now?  
Your rich talk, boy? It was cheap

(Hey! Hey! Hey!)

She might sleep in your bed, and she might have your kid  
She might be in your head, but soon you're gonna see  
She ain't me, she ain't me  
She ain't me
